Your Reference: **20409061**

Dear Rishika,

Course: **Architecture MA**
Start Date: **September 2023**

You have now been assigned your Confirmation of Acceptance for Studies (CAS).

Your unique CAS reference number is **E4G2NT2K51E0U5**.

The CAS confirms that the University of Westminster is sponsoring your application for a Student Visa. Please keep this email for your records.

The CAS is valid for six months. If you are outside the UK you can apply up to 6 months before the start date of your course. If you are applying inside the UK you can apply a maximum of three months before your start date. If you make an application using an expired CAS, the application will be refused.

The next steps

- Check your details on the CAS

For the UKVI to have the correct information to process your application, please check all of the details listed in the table at the bottom of this email carefully before applying for your visa. It is your responsibility to check that the information below is correct. The University cannot accept any liability if your visa application is refused because of mistakes in the CAS. If any information on your CAS is wrong, or if you need any further information or help, please contact us by emailing visacompliance@westminster.ac.uk.

- Check your application meets the visa requirements

To make a successful visa application, you must check that your application meets all the requirements of the Student Visa category. If you need further help with your application or further general information on visas, visit our visa pages.

- Applying outside the UK- Collecting your BRP

If you are applying for your visa <u>outside</u> the UK, then you will need to collect your Biometric Residence Permit (BRP) once you arrive in the UK. We are currently unable to offer the Alternative Collection Location (ACL) service, so you will need to arrange for your BRP to be delivered to a Post Office for collection.

After you submit your application

<u>Credibility Interview</u>
You may be required to attend a Credibility interview to show that you are a genuine student, and have the ability to speak English to

the minimum required standard. If you are selected for an interview we advise you to visit our Credibility Interview webpage for further guidance and advice.

Additional Payments for Fees or University Accommodation
Please contact visacompliance@westminster.ac.uk to let us know if you have made an additional payment after receiving this CAS. We will update your CAS once the payment has been confirmed on our records and will send you an email with your new information. Please check all information is correct.

What to do if your Visa is Refused
If your visa application is refused you must inform us immediately and send us your visa refusal letter. If you want to re-apply for a visa, you will need a new CAS number. Applying with the same CAS number from a previous application will result in your application being refused again. To avoid another refusal, we will check your documents before giving you a new CAS.
