Suggestions for Improvement

8 responses

Upgradation and restructuring in syllabus as per contemporary practices.

Computer Lab needs upgradation. AC should be installed to avoid excessive heat

Updating and restructuring of syllabus to suit the ongoing market trends shall be done.

a. White Board with Markers b. Dado c. External finishing and cleaning d. Toilet Renovation e. Cleanliness in campus. 6. Feedback and Protocol a. Feedback for all stakeholders to be taken directly by the director's office b. Office Protocol to be followed by all members.

FDP should be organized related to teaching pedagogies , financial support should be provided for research

A lot need to be improved in almost all spheres.

Suggest more faculty intake and proper distribution of duties

I think we need more exposure for students by having lectures or interactive talks by some professionals who are really doing great work or conduct some more workshops for providing exposure and confidence to students.
